

Most Improved Bowler Award

Complete this form at the completion of your Association's bowling season and forward to the BCTF Secretary **by JUNE 30th**.

The BCTF Most Improved average award will be given for the Most Improved Adult Male and Female and Youth Male and Female bowlers in the Province.

Presentation of the Most Improved Average award will be made at your Local Association's Fall meeting or at League Level, providing the information has been received by June 30th.

ELIGIBILITY RULES:

1. Must have paid Local, BCTF and CTF National Dues.
2. Must have bowled at least **54** games during the league's current season.
3. Bowler's increase of average is determined by comparing the final average for the current season with their CTF highest final or book average of at least 21 games for the preceding season in the same league.
4. For a new member in the league with a CTF established average, compare the final average for the current season with the highest final average or book average, based on at least 21 games, for the preceding season.
5. For a bowler with no average for the preceding season, compare the final average of the current season with the average for their first 21 games during the current season.

Local Association: _____

Name: _____

Phone: _____

Address: _____

Starting Average:_____ Total Pinfall:_____ # of Games:_____
